

# CONNECT COMMUNITY<sup>®</sup>

## Check Out the New and Improved CDFI Connect Platform!

This online community is a critical tool used by more than 10,000 CDFI practitioners, partners, and industry advocates to network, collaborate, and exchange knowledge.

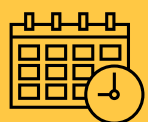

### THE PLATFORM FEATURES:

**Discussion Boards**

**Resource Libraries**

**An Event Calendar**

### *Specialized Communities that focus on:*

**Technology**

**Marketing**

**Climate Crisis and more!**

These upgrades aim to enhance the experience for users while still providing the same great benefits and range of specialized communities to join and engage.
