

Craft3 **Job Description**

Date: January 2018

Job Title: Commercial Credit Underwriter

Reports To: Credit Officer, SVP

Location: Spokane, WA, Walla Walla, WA, or Klamath Falls, OR

FLSA Status: Exempt

CRAFT3 BACKGROUND

Craft3 is a non-profit Community Development Financial Institution (CDFI) with a mission to strengthen economic, ecological and family resilience in Pacific Northwest communities. We do this by providing loans and assistance to entrepreneurs, non-profits, individuals and others, including those who don't normally have access to financing. We then complement these financial resources with our expertise, personal connections and other advocacy for our clients. Learn more at www.craft3.org and www.craft3.org/videos

POSITION PURPOSE

Position is responsible for underwriting commercial loans. Underwriter is responsible for the financial analysis of potential new borrowers, existing borrowers, and also assisting lenders with the process of closing loans and post-closing maintaining ongoing financial analysis and credit quality.

This position plays an integral role in Lending. The position involves the development of strong working relationship with Lenders, Credit Risk Management and other Underwriters to analyze new commercial credit opportunities, underwrite new or renewed credit exposure, and help manage a portfolio of loans. Work includes gathering information and performing research and analysis to identify, quantify, and mitigate underwriting risk inherent in commercial lending and interacting with borrowers via phone or occasionally face-to-face.

ESSENTIAL DUTIES AND RESPONSIBILITIES include some or all of the following and are not intended to be all-inclusive. Craft3 reserves the right to change, add or delete responsibilities and duties as seen fit. An employee's specific job duties, priorities, and performance expectations are detailed in his/her individual performance plan.

- Provides in-depth analysis of financial statements, projections and business plans. Assesses prospective borrower cash flow to assess loan term options and feasibility.
- Analyzes the impact of industry and competitive dynamics and macroeconomic events on the creditworthiness of clients and prospects
- Understand complex transactions (multiple entities, multiple funding partners, startups) and can summarize the salient business plan assumptions and the borrower's ability to implement their plan.
- Analyze loans for a variety of structures and disciplines of lending (fixed asset financing, current asset financing, bridge loans). Recommends and models appropriate loan structure which reflects Craft3 commitment to asset quality.
- Prepare and present to the applicable credit committee an in-depth credit recommendations for new loans, amendments, and renewals.

Lending to people, Investing for resilience

- Completes ongoing periodic credit servicing of loans within the portfolio including analyzing financial statements and covenant compliance, identifies deteriorating credits
- Effectively and efficiently communicate knowledge and expertise to others (internally and externally).
- Balance multiple projects at one time.
- Coordinate credit pipeline within per assigned lenders
- Seek assistance and insight from others when appropriate.

Brand Management

- Supports Management and Supervisors Priorities Agreement; Collaboration, Behaviors, Accountability and Compliance.
- Support the organization's All Team Performance Standards; Ownership, Respect and Flexibility.
- Demonstrate stewardship for the Craft3 Brand.

AUTHORITIES

- Evaluates and determines key risks, credit worthiness, covenant compliance and risk rating on applicable credits
- Determine borrower is in compliance with covenants and affirm satisfactory risk rating
- Propose follow on credit action for existing loans in portfolio.
- Analyze, recommend and implement process and the flow of information to and from Lenders.

POSITION SCOPE – Direct Reports - None

POSITION SCOPE – Indirect Reports - None

PEER POSITIONS - Other Underwriters
